### **Renovation & Refurbishment of 111 council houses in Runcorn and Widnes**

In response to the Governments 'Decent Homes' programme, Whitfield & Brown completed the renovation and refurbishment of 111 existing council houses in Runcorn and Widnes. This project was on behalf of Halton Borough Council.

During a 13 week period, Whitfield & Brown replaced bathrooms and kitchens in each of the 111 properties, as well as rewiring each property and installing updated central heating systems.

All properties were occupied during building works and all amenities maintained throughout the 13 week period. The meant minimal disruption to existing council housing stock, which will shortly come under ownership of a newly created housing association.
