

Cronton Lane Mews **New Build Housing (Design & Build)**

This development consisted of the construction of six new build mews houses, built on a tight site, in close proximity to existing buildings and a busy main road.

Each of the 3 storey houses consist of four bedrooms, some with en-suite facilities and an open plan kitchen/diner.

To the rear of this housing development, a garage block was constructed, within a private courtyard area. Each property also has a rear garden, with high level fencing for added privacy and security.
