

## Hilbre High School Sixth Form Block

Hilbre High School is a specialist college in the subjects of English, Drama & Citizenship and to improve the facilities on offer Whitfield & Brown have designed and constructed a new 6th form block.

The new 2 storey steel framed building has been constructed at the rear of the school and has been designed so the exterior brickwork replicates the adjacent drama block.

Now complete the building offers students a purpose built Common Room, catered dining facilities, three fully equipped seminar rooms, a multi-purpose presentation space which is also designated as a silent study area and rest rooms for exclusive use by the Sixth Form.

### Key Aspects

- ✓ Restricted deliveries to minimise student interface
- ✓ Worked in conjunction with client specific rules & regulations
- ✓ Co-ordinated works for service trench within existing sports field
- ✓ Close liaison with other contractors working on site
- ✓ Shared access routes with students and staff
- ✓ Provision of key fob access for the students
