

The Holy Spirit Catholic Primary School Refurbishment & Extension

This phased project involved the construction of an extension to the existing School Nursery building, together with major refurbishment and alteration works to the existing facility.

The existing facility was kept operational throughout the construction programme without the requirement for temporary accommodation for the nursery users.

This together with the constraints of a tight site called for careful and regular liaison between our site team, the school, nursery, architect and council.

Contract Title: Refurbishment and Extension works to Holy Spirit Primary School

Client: Halton Borough Council/Shrewsbury RC Diocese

Location: Runcorn, Cheshire

Value: £300,000
