

Stanley Grange Office Conversion

Stanley Grange consists of a variety of stylish offices, created from a range of Grade II listed Victorian farm buildings within the walls of Knowsley Park.

The scheme is ph4 of a continued re-development of the farm buildings and involved part demolition, re-roof, insulation new floors, internal walls and complete redecoration to form individual office units approximately 60sqm in size.

Whilst the internal transformation provides impressive work spaces, the external façade has been retained to preserve the character of the original buildings.
